Adoption of the agenda

The agenda was adopted.

The situation in the Central African Republic

The President (*spoke in French*): The Security Council will now begin its consideration of the item on its agenda. The Council is meeting in accordance with the understanding reached in its prior consultations.

After consultations among members of the Security Council, I have been authorized to make the following statement on behalf of the Council:

"The Security Council welcomes ongoing efforts aimed at national reconciliation in the Central African Republic based on the Libreville Comprehensive Peace Agreement of 2008 and the commitments contained in the Sirte Agreement of February 2007 and the Birao Agreement of April 2007. The Security Council encourages the Government of the Central African Republic to continue to ensure that the recommendations of the inclusive political dialogue are expeditiously and fully implemented.

"It reiterates its call on the Government of the Central African Republic to strengthen and accelerate efforts to reform security sector institutions, which is a crucial element for the peacebuilding process in the Central African Republic and for addressing widespread impunity and increasing respect for human rights. It also reiterates its call on the Government to carry out without delay a transparent and accountable disarmament, demobilization and reintegration (DDR) process and ensure the completion of disarmament and demobilization before the 2010 elections. In these efforts, transparent funding and coordination of reintegration programmes is critical to the programmes' long-term success. The Security Council encourages the international community, including the United Nations Integrated Peacebuilding Office in the Central African Republic (BINUCA), to provide timely and adequate support to the process.

"The Security Council strongly condemns the ongoing attacks by the Lord's Resistance Army (LRA) in the Central African Republic and calls for the countries of the region and the United Nations missions to coordinate and enhance information-sharing regarding the threat posed by the LRA to the population.

"The Security Council demands that the Government of the Central African Republic and all political stakeholders ensure free, fair, transparent and credible preparation and conduct of the 2010 elections, and that the elections take place within the time frame set by the Constitution. The Security Council calls on the Government, the United Nations and other stakeholders to support timely election preparation with adequate resources.

"The Security Council welcomes the establishment of BINUCA on 1 January 2010 for the period of one year. The Security Council urges the Special Representative of the Secretary-General to take all necessary steps so that BINUCA will be fully operational as soon as possible after 1 January 2010, in accordance with its mandate as set out in the statement of its President of 7 April 2009 (S/PRST/2009/5). The Security Council confirms its full support to the efforts of the Special Representative of the Secretary-General, Ms. Sahle-Work Zewde, in this regard. The support of the BINUCA, together with the United Nations country team, to national and local efforts to consolidate peace, enhance governance and complete DDR process is crucial and needed.

"The Security Council also requests the Secretary-General to propose in his next report a set of clear and measurable benchmarks to guide the progress of the mission and enable BINUCA to evaluate its progress against its mandate.

"The Security Council welcomes the support provided by the Peacebuilding Commission to the Central African Republic, and reiterates its call on the donor community to enhance their support to sectors identified as critical for sustainable peace and development in the Central African Republic, as set out in the Strategic Framework for Peacebuilding developed by the Peacebuilding Commission."

This statement will be issued as a document of the Security Council under the symbol S/PRST/2009/35.

The Security Council has thus concluded the present stage of its consideration of the item on its agenda.
